

Ann I. Thomas Fund

The friends of Ann Thomas have made a commitment to do everything possible to help her get through this time of need. She needs everyone's help right now. Ann sat at the front table of WAH for 13 years and always had a smile, a kind word or an available shoulder for everyone that came through the door. She has served the community as a counselor and a minister. The Ann I Thomas Fund is our opportunity to reach out a helping hand to her in return. We ask for any donation you can offer, even if it is not monetary. If you have time to visit with her or talk to her on the phone, the donation of your time is just as important. She needs mental and physical stimulation as well to help with the healing process.

Ann suffered a Brain Aneurysm on Saturday, June 7th. She is now residing at Mt Sinai Rehab Hospt, 490 Blue Hills Ave, Hartford, CT 5th floor (Hspt for Spec Care Sat Fac) Room 5315. Her insurance will only pay for a portion of her medical needs and her disability income will only support a small portion of her needs.

She is in need of all the help she can get to pay living costs and medical bills. Any donation, no matter how small, will be greatly appreciated. A special fund has been created at the Webster Bank for her and all donations can be sent directly to the fund. Cash donations will also be accepted for deposit to the fund, please contact one of the Fund committee members for assistance.
